School Day

In a letter dated August 20, **USDA** expressed concerns regarding program participation and plate waste, but noted that "there are ways of addressing these concerns short of abandoning nationally established meal standards."

REPORT TO THE CONGRESS BY THE COMPTROLLER GENERAL OF THE UNITED STATES...

July 26, 1977

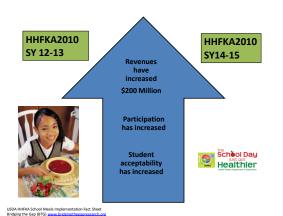

American eating habits have changed drastically in the last 20 years

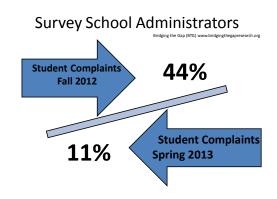

Suggestions for expanding program participation and reducing food waste:

- Improve the appearance and quality of food served
- Revise the meal patternEliminate the sale of snack foods

# Hello Smart Snacks?

The school offers baked chips and corn chips, sunflower seeds, low-fat yogurt, trail mix, and an expanded variety of fresh fruit on the à la carte line.

Changes occurred without financial loss and were well accepted by students.

2002-2003 School Year.... Southington School Lunch Program, Southington, CT

When low-nutrient foods were removed from à la carte lines and replaced with healthful alternatives, daily à la carte revenue decreased by an average of 18 percent.... The decreased emphasis on à la carte sales prompted a 15 percent increase in school meal participation!

The revenue generated by the additional school meals more than doubled the lost à la carte revenue. Therefore, bottom-lint dollars for school food service have increased overall.

2002-2003 School Year.... Green Bay School District, Green Bay WI Improvements have been made in the quality of snacks and vending machine fare available in all district buildings. For example, pretzels, trail mix, and granola bars have been substituted for chips.
